

The American Academy of Pediatrics, California Chapter 2 (AAP-CA2) proudly presents:

Addressing Teenage Vaping

A Community Town Hall

March 21, 2019 3 - 5 PM in Torrance

The Southern California Chapter of the American Academy of Pediatrics (AAP-CA2) invites you to El Camino College on March 21, 2019 at 3 PM for a community-wide Town Hall addressing Flavored Liquid Vaping Products/E-Cigarettes use in youth. This event is in co-partnership with the County of Los Angeles Public Health Tobacco Control and Prevention Department - Division of Chronic Disease and Injury Prevention. **This event is open to everyone!**

Topics for discussion include:

- The risk of tobacco use in youth as a result of unregulated e-cigarette flavored vaping products.
- Updates to LA County's tobacco retailer licenses and ordinances affecting flavored products, e-cigarettes/e-devices, and cannabis.
- Successful implementation of regulatory measures by other cities in our region.

Adolescent Vaping is a growing problem, and the rates are alarming and reaching epidemic proportions. A number of strategies have emerged to address this issue both at the individual level and in communities. Come learn about these strategies to combat adolescent vaping in your community.

Date/Time: 3/21/2019 from 3 to 5 PM

Location: El Camino College - 16007 Crenshaw Blvd, Torrance, CA 90506. Please park on Lot C (Pay for parking at the Kiosks located in the center of every level in Lot C). East Dining Conference Room - 2nd floor, above the Bookstore.
